

A man with a beard, wearing a black button-down shirt and black trousers, stands in the foreground looking down at his smartphone. He is wearing black sneakers with yellow accents.

A group of people, including several women in white polo shirts and blue jeans, are standing in a line or cluster, talking. One woman in a white lab coat with a stethoscope around her neck is also present. In the background, a man in a blue polo shirt and another in a grey shirt are sitting at a table. A sign that says "HOSPITAL" is on the floor near the seated people.
